Courtroom: 610

Reference case # 05-44481

Dear Judge Drain:

As a retired Delphi Salary Employee I strongly object to the recently filed Delphi Modified Plan of Reorganization.

This plan is structured to only benefit a few Delphi Senior Executives, General Motors, the UAW and Platinum Equity. It is totally at the expense of Delphi creditors, "Non-UAW" hourly workers, the retired salary employees and the American taxpayer. Also, It is clear that this whole deal is being brokered by the US Treasury, with Tim Geithner.

We have sadly seen what this presidential administration is doing to the existing legal system, throwing away all previous laws and applying their own. We are **looking to you to do the RIGHT thing**; protect the pensions of the Delphi Salary workers and have the salary guy treated the same as the UAW workers that we stood side by side with for so many years.

Please **DO THE RIGHT THING.**
